THE BOARD/MATCH COMMITTEE.

MATCH COMMITTEE RULES

Returning Cards. Cards not returned to the Competition Box at declaration of competition will be disqualified.

Trophies. Winners of trophies and golf balls must collect same within 6 months after day of winning otherwise they will be forfeited.

Interruption of Play. Players may interrupt their play for refreshments after completing 9 holes, unless otherwise stated, but not without undue delay. A maximum of 6 minutes allowed. Members are requested not to take their break inside the clubhouse.

Starting Times. Members will observe the booked times and report to the starter at least 20 minutes before their allocated tee time.

Matchplay Competitions. Players competing in these events shall not be eligible to compete in the ordinary event.

Marking of Cards. It is the player's responsibility to see that his handicap and score have been correctly recorded on the card and that it has been correctly signed. Place Badge Number on card for computer use. When a Scratch Score event is conducted, the Match Committee requests that members record their scratch score on the card.

Selection of Partners. The Match Committee especially desires that players do not play regularly together. In 2 Ball events players are not to pair with the same playing partner more than once in each calendar month. Players are not eligible to win more than one 2 Ball event per calendar month with the same playing partner. This Rule does not apply to Invitation competitions, Medleys, Husband & Wife, Mixed events, or any other special event nominated by the Match Committee. Failure to observe may result in disqualification.

P.G.A./W.P.G.A. In other than Open or Invitation competitions, members of these associations are eligible to only win Nett events in club competitions, except if members of Cumberland Country Golf Club.

Protests. A protest in connection with any competition or match shall be made to the Match Committee immediately upon completion of the round and before the competition result has been declared.

Mobile Phones. The use of mobile or portable phones by a competitor or his caddie whilst on the golf course, during an event is prohibited. The penalty for breach of this condition is disqualification. If a competitor or his caddie is in possession of a mobile or portable phone it must be turned off. If the phone rings this will be deemed to be in use and the penalty outlined above will apply. (A phone may only be used if there is a medical emergency)

Playing in Two Events. A player may compete in both a Singles and a 2 Ball in the same round.

In events where there is a 'Special' Trophy in conjunction, players are only eligible to receive one trophy each.

Scratch Score. When stated, or if competition has 100 or more starters. Best Scratch Score wins - no restrictions on minimum score.

Sunday Mixed/Medley Events – morning sessions invitation, afternoon sessions open. Members and Associates playing in the Mixed/Medley event may participate in the Singles competition. In all events, Associates will play off their Full Handicap, Associates tees and use the Associates Index.

Swingers in 2 Ball Events. Swingers will be permitted under special circumstances. The lowest marker of the intact pair, will be paired with the player left without a partner. This player will become the 'swinger'. The swinger cannot win more than one trophy in a 2 Ball event.

Eagles Nest. The Eagles Nest jackpot of golf balls can be won on selected holes during member/medley or mixed competitions. To win the jackpot, Cumberland members/associates, must win the nearest the pin and be less than 60cm from the hole.

Priority on the Course. Pairs, threesomes and foursomes shall have precedence over and be entitled to pass any other kind of match. A single player has no standing and should give way to a match of any other kind. Any match playing a whole round is entitled to pass a match playing a shorter round. If a match fails to keep its place on the course and loses more than one clear hole on the preceding players, it shall allow the match following to pass.

Competition Days. On days when competitions arranged by the committee are played, any member not taking part may play only when directed by the pro shop starter.

Associates Playing Times. On Sundays and Tuesdays the tee is reserved for Associates during their golfing season as seen fit by the Match Committee.

Social Play. Members intending to play on Non-Competition days are advised to check with the professional shop as there may be Social or Trade events booked in (members cannot infringe on times booked by Social Clubs or Trade days). All players must report to the starter before hitting off.

Cancellations on Day of Play. All late cancellations, required on Competition Days, must be made to the starter no less than 30 minutes before their nominated tee time. If the nominated tee time is in the P.M. session a minimum of 60 minutes notice is required.

36 & 72 Hole events. The last 18 hole score shall be used, and if still tied the countback as in 18 hole events shall be used. In a stroke handicap event, half the handicap will be applied to the 9 hole score, a third of the handicap will be applied to the last 6 holes score, a sixth for the last 3 holes and an eighteenth for each hole single hole.

Ties. Winners of all tied events (including Medals) will be determined by a countback except when a tie involves first position in the following events:

- a) Club Championships (all grades - scratch)
- b) Cumberland Cup (scratch)
- c) Cumberland Bowl (nett)
- d) Summer Cup (nett)
- e) President's Cup (nett)
- f) Holroyd Shield (nett)

If practicable the result shall be decided by an 18 hole play-off on a date to be determined. In any circumstances the play-off shall be concluded within four (4) weeks of the day of the event. In the event of a further tie in the above scratch events a sudden death play-off will take place beginning at the 1st tee. In the event of further tie in the above nett events a countback will take place over the last 18 holes. A countback system will be used to determine runner up positions and other minor placings.

Club Championship Events. To be eligible to enter and win the Annual 'A' Reserve', 'B' or 'C' Club and/or Foursomes Championship events, a player must have held a Cumberland club handicap at least 6 months or returned 10 singles cards from Cumberland competitions prior to the date of play. Qualification for entry in these and other major events shall be decided by the Match Committee.

New Members. It is the responsibility of the Proposer and Secunder immediately a nominee is elected to membership to see that the new member is introduced to other members, is advised of all the rules governing the conduct in the club, and above all, is sufficiently advanced in the knowledge of the Rules of Golf to be competent to perform the duties of a marker for a fellow competitor. Please see

that you play with your nominee for at least two of the first three cards submitted until he is equipped and has had every reasonable opportunity to acquire a handicap.

Provisional Members. Provisional Members are eligible to play in Wednesday, Sunday and Public Holiday competitions. On Saturday competitions they may play only by contacting the Professional Shop on the day concerned.

5 Day/5 Day Senior Members. Shall only be entitled to play on the golf course on Mondays to Fridays of each week including public holidays and shall not be entitled to play in Club competitions or practice on the golf course on Saturdays or Sundays.

Handicapping. New members joining from other golf clubs and holding a current Australian Golf Union handicap will not be required to obtain a new handicap. They will be allowed to compete in competitions upon verification of their handicap.

New members not holding a current A.G.U. handicap will be required to return three (3) cards, signed by a member holding an A.G.U. handicap. They will then be allocated a A.G.U. handicap. If playing away and break, it is the responsibility of the player to notify the handicapper.

Application of Handicaps to Different Types of Competitions

Individual

Stroke, Par & Stableford: Full Handicap
Match Play: Full Difference of Stroke Handicap

Foursomes (incl. Mixed & Canadian)

Stroke, Par & Stableford: Half ($\frac{1}{2}$) of Aggregate Stroke Handicap

American Foursomes Three eighths ($\frac{3}{8}$) of
Aggregate Stroke Handicap

Four-Ball Match Play

Reduce the lowest handicapped player, who will then play off scratch and each of the other three players is then allowed the Full Difference of the resulting handicaps. Strokes to be taken in accordance with the Score Card Index.

Additional Competitions And How They Are Played

Ambrose Events. An Ambrose is usually played by teams of four players but may be varied as specified for smaller teams. The conditions of play will be advised on the day.

1. In the event of ties, the winner will be decided by a countback.
2. Team numbers and handicaps applicable to Ambrose events are:
 - (i) Team of 4 players - $\frac{1}{8}$ th of combined handicaps
 - (ii) Team of 3 players - $\frac{1}{6}$ th of combined handicaps
 - (iii) Team of 2 players - $\frac{1}{4}$ th of combined handicaps

Canadian Foursomes. This event is played in the same manner as Foursomes with the difference being that both players tee off each hole. The best ball is then selected. If player A's ball is selected then player B plays next. Shots are then played alternately until holed. Handicap is $\frac{1}{2}$ of combined handicaps.

American Foursomes. - Both players play tee shots at each hole, then play a second stroke with their partner's ball. One ball is then selected and play proceeds as in Foursomes with the OWNER of the ball selected playing the third shot. Handicap is 3/8 of combined handicaps.

GENERAL INFORMATION

The Match Committee reserves the right to alter the program at any time. The Rules of Golf, together with Local Rules, must be strictly adhered to in competition play, to avoid disqualification. Associates are requested to pay strict attention to all information posted on the Notice Boards, both in the Associates' Rooms and those affecting local rules as set down by the Members' Committee and should be conversant with such before commencing to play. Rules regarding Etiquette of the Game of Golf should be read and observed by all.

A Conditions of Play Book is on display in the Associates' Lounge and contains detailed information of rules and regulations pertaining to all our competitions including special events.

Please note that new Four Ball Handicap Regulations now apply. Details are shown on the Notice Board in the Associates' Rooms.

METHOD OF OBTAINING AND RETAINING W.G.A. HANDICAP

To obtain an Australian Women's' Handicap a player must submit three (3) cards. The three cards shall be averaged and the player allotted a handicap equivalent to the number of strokes by which the average exceeds the AWCR.

Any Member of Associate of an affiliated Golf Club may mark a card for this purpose.

MEDAL ROUNDS

All Associates must hold a WGA handicap to win a monthly medal.

PROFESSIONAL WOMEN GOLFERS

Professional women golfers are ineligible to win Honour Board events, scratch events, monthly medals or scratch events on open days. However, they can compete for the nett events.

DRESS REGULATIONS

See front of fixture book.

Associates & visitors are requested to avoid embarrassment by conforming to the standard of dress regulations set down by the Ladies' Committee.

Please ensure that your visitors are acquainted with our dress regulations and remember when visiting other clubs to be familiar with that club's dress rules.

VISITORS

Any Associate introducing a visitor shall be responsible for the conduct of that person, both in the Clubhouse and on the course.

It is hoped that this coming season will maintain the competitive and social spirit enjoyed by our Club in past years.

This book is issued as a guide only. Rules and fixtures are subject to alteration at the discretion of the Executive/Match Committee.
