The penalty for breach of this condition is disqualification. If a competitor or his caddie is in possession of a mobile or portable phone it must be turned off. If the phone rings this will be deemed to be in use and the penalty outlined above will apply. (A phone may only be used if there is a medical emergency).

In a stroke handicap event, half the handicap will be applied to the 9 hole score, a third of the handicap will be applied to the last 6 hole score, a sixth for the last 3 holes and an eighteenth for each hole single hole.

**Ties.** Winners of all tied events (including Medals) will be determined by a countback except when a tie involves first position in the following events:

- a) Club Championships (all grades)
- b) Cumberland Cup (scratch)
- c) Cumberland Bowl (nett)
- d) Summer Cup (nett)
- e) President's Cup (nett)
- f) Holroyd Shield (nett)

If practicable the result shall be decided by an 18 hole play-off on a date to be determined. In any circumstances the play-off shall be concluded within four (4) weeks of the day of the event. In the event of a further tie in the above scratch events a sudden death play-off will take place beginning at the 1st tee. In the event of further tie in the above nett events a countback will take place over the last 18 holes. A countback system will be used to determine runner up positions and other minor placings.

**Club Championship Events.** To be eligible to enter and win the Annual 'A' Reserve', 'B' or 'C' Club and/or Foursomes Championship events, a player must have held a Cumberland club handicap at least 6 months or returned 10 singles cards from Cumberland competitions prior to the date of play. Please see that you play with

your nominee for at least two of the first three cards submitted until he is equipped and has had every reasonable opportunity to acquire a handicap.

**Provisional Members.** Provisional Members are eligible to play in Wednesday, Sunday and Public Holiday competitions. On Saturday competitions they may play only by contacting the Professional Shop on the day concerned.

New members not holding a current A.G.U. handicap will be required to return three(3) cards, signed by a member holding an A.G.U. handicap .They will be then allocated a A.G.U. handicap will result in an A.G.U. handicap.

Note: When a player is showing better form than his handicap or is showing an increased interest in playing better golf, but is not returning cards, the committee has the power to reduce a player's handicap. This may only be done if there is some justifiable reason for the committee believing the player to be over-handicapped. Due to a player recovering from injuries, falling ill or some other justifiable reason, the player's handicap may be increased.

If playing away and break, it is the responsibility of the player to notify the handicapper.

## Application of Handicaps to Different Types of Competitions

---

### Individual

Stroke, Par & Stableford:	Full Handicap
Match Play:	Full Difference of Stroke Handicap

### Foursomes (incl. Canadian)

Stroke, Par & Stableford:	Half (1/2) of Aggregate Stroke Handicap
---------------------------	---

### Four-Ball Match Play

Reduce the lowest handicapped player, who will then play off scratch and each of the other three players is then allowed the Full Difference of the resulting handicaps. Strokes to be taken in accordance with the Score Card Index.

## Additional Competitions And How They Are Played

**Ambrose Events.** An Ambrose is usually played by teams of four players but may be varied as specified for smaller teams. The conditions of play will be advised on the day.

1. In the event of ties, the winner will be decided by a countback.

2. Team numbers and handicaps applicable to Ambrose events are:

(i) Team of 4 players -	1/8th of combined handicaps
(ii) Team of 3 players -	1/6th of combined handicaps
(iii) Team of 2 players -	1/4th of combined handicaps

**Canadian Foursomes.** This event is played in the same manner as Foursomes with the difference being that both players tee off each hole. The best ball is then selected. If player A's ball is selected then player B plays next. Shots are then played alternately until holed. Handicap is 1/2 of combined handicaps.

**American Foursomes.** Both players play tee shots at each hole, then play a second stroke with their partner's ball. One ball is then selected and play proceeds as in Foursomes with the OWNER of the ball selected playing the third shot. Handicap is 3/8 of combined handicaps.

## **Special Notice To Players**

- iv) All players are to walk without delay to a spot as near as possible to their ball and be ready to play (short hitters may be able to hit their next shot in the meantime).
- v) If your group loses a ball, call through the following group straight away and then proceed to look for that ball (5 minutes only).
- vi) Do not leave your golf bag at the front of the green. Golf bags are to be left at the side of the green or by the next tee.
- vii) Once you are on the putting green, try to hole out short putts if they do not interfere with other people's lines.

The Match Committee reserves the right to alter the program at any time. The Rules of Golf, together with Local Rules, must be strictly adhered to in competition play, to avoid disqualification. Associates are requested to pay strict attention to all information posted on the Notice Boards, both in the Associates' Rooms and those affecting local rules as set down by the Members' Committee and should be conversant with such before commencing to play. Rules regarding Etiquette of the Game of Golf should be read and observed by all.

A Conditions of Play Book is on display in the Associates' Lounge and contains detailed information of rules and regulations pertaining to all our competitions including special events.

Please note that new Four Ball Handicap Regulations now apply. Details are shown on the Notice Board in the Associates' Rooms.

### **METHOD OF OBTAINING AND RETAINING W.G.A. HANDICAP**

To obtain an Australian Women's' Handicap a player must submit three (3) cards. The three cards shall be averaged and the player allotted a handicap equivalent to the number of strokes by which the average exceeds the AWCR.

Any Member of Associate of an affiliated Golf Club may mark a card for this purpose.

## **MEDAL ROUNDS**

All Associates must hold a WGA handicap to win a monthly medal.

## **PROFESSIONAL WOMEN GOLFERS**

Professional women golfers are ineligible to win Honour Board events, scratch events, monthly medals or scratch events on open days. However, they can compete for the nett events.

## **DRESS REGULATIONS**

See front of fixture book.

Associates & visitors are requested to avoid embarrassment by conforming to the standard of dress regulations set down by the Ladies' Committee.

Please ensure that your visitors are acquainted with our dress regulations and remember when visiting other clubs to be familiar with that club's dress rules.

## **VISITORS**

Any Associate introducing a visitor shall be responsible for the conduct of that person, both in the Clubhouse and on the course.
