

INFORMATION IN RELATION TO COVID-19 (Coronavirus) 30.3.20

Dear Member,

In response to the Prime Ministers announcement last night introducing even tighter restrictions on social gathering and following recommendations from GolfAustralia the course is now closed until further notice.

We are seeking clarification on possible length of closure however at this time it is an unknown.

We are considering the best way to allow members to access the locker rooms and buggy shed should you wish to retrieve personal items and will advise in due course.
