

## Development Project Update - 18.12.20

Dear Member,

On behalf of the Board of Directors I am pleased to announce that we have this week entered into an 'exclusivity agreement' with [Pariter Pty Ltd](#), established as a wholly-owned business division of [Plenary Group](#). Basically, what this means is that we have an agreement not to negotiate with other companies for the next twelve months. During that time Pariter and their [Project team](#), will invest a significant amount of their time and money preparing a detailed proposal for our members consideration.

Pariter's brief is to develop a proposal that will give us a new clubhouse, an acceptable interface between our course and residential buildings, and a sustainable income stream for well into the future.

In the new year we will commence a series of member information sessions to introduce the Pariter team and their project plan, to give regular progress reports and to provide members with feedback opportunities.
